PHONE / TXT ONLY _____

This July, many key DC titles will have special YEAR OF THE VILLAIN variant covers which will feature portraits of DC's best villains, created by the comic book industry's most popular artists. These covers will have "no logos" and will be printed on cardstock to increase their collectibility. Because of the special nature of these covers - which will most likely place them in high demand - FUNNYBOOKS is providing this special pre-reserve for all fans of FUNNYBOOKS who may be interested. Please note, Because these covers are \$1 more than the standard covers, FUNNYBOOKS will be ordering mostly standard covers for our walk-in and folder customers, if you are interested in the card stock variants, a preorder is highly recommended.

NOTE: All Card Stock Covers are \$4.99, all standard covers are \$3.99, with the exception of the four titles marked with an asterisk (AQUAMAN, BATMAN, FLASH, and WONDER WOMAN) which are \$5.99 / \$4.99 respectively.
